(For everyone listed, you must have an attached homeless survey or homeless count form to accompany that number)

Remember that for every bed you count, you MUST answer how many people were IN THOSE beds on that night. For emergency and transitional housing projects, a completed homeless survey MUST accompany this Housing Inventory Chart.

For example, if you state 6 people were in the beds the night of the count, you would need to submit 1 completed Housing Inventory Chart to your regional coordinator and 6 individual homeless surveys. The surveys can be done using the Counting Us app, the Counting.us link or a paper survey. If using paper please return the surveys to your regional coordinator.

If you have any questions, please don’t hesitate to give me a call at 773-3445 or e-mail me at jenni@sdhda.org.

All Housing Inventory Charts and Surveys must be submitted back to your regional coordinator no later than January 26, 2017.
