1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with the provisions of 24 CFR 578.7.

South Dakota currently has 66 counties. Minnehaha and Pennington County are considered urban, while the remainder of the 64 counties are considered rural. South Dakota also has 9 reservations covering 10 counties. Communication across the state can be a challenge because of our rural demographics. The South Dakota Housing Development Authority is applying to CoC Planning funds to break out our 66 counties into 4 geographical regions. Our Community Action Programs cover all 66 counties. Northeast SD Community Action Partnership covers 17 counties which includes the Sisseton Wahpeton Oyate Tribe and the Crow Creek Indian Reservation. Inter-Lakes Community Action Partnership covers 14 counties which includes the Flandreau Santee Tribe. Rural Office of Community Services covers 20 counties which includes the Lower Brule Indian Reservation as well as the Yankton Tribe. The Western South Dakota Community Action Agency covers 15 counties which includes the Pine Ridge Indian Reservation, Standing Rock Indian Reservation and the Cheyenne River Indian Reservation. With the proposed CoC planning funds, we would be able to use these funds to help pay for a regional coordinator from within these agencies to help coordinate their counties during the statewide annual homeless count and to relay information regarding homelessness in our state. They would also be the representatives of those counties at all quarterly Housing for the Homeless (HHC) quarterly meetings. Since our reservation lands can be somewhat vast, the CoC planning funds will also help to reimburse volunteers conducting counts on tribal lands to ensure South Dakota receives a good quality homeless count each January.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The South Dakota Housing Authority has already contacted the Community Action Partnership (CAP) agencies and the majority are interested in serving as regional coordinators. If for some reason, a CAP agency does not want to become a coordinator, we will look to another agency to take over those counties. Once we have all of the regional coordinators, we will work together to create a process for how the coordinators will make outreach contacts to their counties and create a listserv which the regional coordinator would oversee to ensure all are being notified of possible funding sources, the statewide homeless count as well as our Ten Year Planning process. The regional coordinators will also gather information from counties on issues in their areas in regards to housing homeless, to lack of services and present back to the SDHHC for possible assistance. I believe the regional coordinators will be ready to assume their duties in July of 2016.

3. How will the requested funds improve the CoC's ability to evaluate the outcome of CoC and ESG projects?

The CoC planning funds will help improve our ability to reach out to all 66 counties in South Dakota to be a true statewide balance of state. Many reservations currently do not participate with the HHC or the homeless count because of a lack of funding. Their input is vital to HHC to ensure our Ten Year Plan was attainable goals for the reservations. These funds will help all reservations have a voice in all of the state's homeless planning and not be deterred because of travel or funds.

4. How will the planning activities continue beyond the expiration of HUD financial assistance?

The HHC does not feel this will be a full time position, or put extra work burdens on those that will be regional coordinators. The funding will be distributed to the 4 agencies based on the number of counties. Initial startup of the coordinators would involve doing outreach to their counties, creating a listserv from interested parties in those counties as well as conduct training on how to conduct the statewide homeless count and housing inventory information, so the initial funding may be used to take care of these larger projects needing to be completed on a statewide level. If this is a success, HHC will look into other funding to continue the regional coordinator positions.

4A. Sources of Match/Leverage

Instructions:

Match and Leverage are two distinct categories of funds from other sources that will be used in conjunction with this project, if awarded. Match (cash or in-kind) must be used for eligible program costs only and must be equal to or greater than 25% of the total grant request for all eligible costs under the CoC Program interim rule with the exception of leasing costs. Leverage funds can be used for any program related costs and there is no minimum requirement. Please review 24 CFR Part 578, the FY 2015 Funding Notice, and the FY 2015 CoC Program NOFA for more detailed information concerning Match and Leverage.

Will this commitment be used towards Match or Leverage? Select Match or Leverage to categorize each commitment being entered.

Type of Commitment: Select Cash (\$) or In-kind (non-cash) to denote the type of contribution that describes this match or leveraging commitment.

Type of source: Select Private or Government to denote the source of the contribution. The Neighborhood Stabilization Program (NSP) and HUD-VASH (VA Supportive Housing program) funds may be considered Government sources. Project applicants are encouraged to include funds from these sources, whenever possible.

Name the Source of the Commitment: (Be as specific as possible and include the office or grant program as applicable) Enter the name of the entity providing the contribution. It is important to provide as much detail as possible so that the local HUD office can quickly identify and approve of the commitment source.

Date of written commitment: Enter the date of the written contribution.

Value of written commitment: Enter the total dollar value of the contribution.

The values entered on each detailed Match/Leverage screen will populate the Screen "3B. Funding Request." The Cash, In-Kind, and Total Match will also automatically populate the Summary budget where the 25% match minimum will be calculated and applied.

Additional Resources can be found at the HUD Exchange:

4B. Funding Request

Instructions:

Is it feasible for the project to be under grant agreement by September 30, 2016: Select "Yes" or "No" to indicate whether the grant agreement will be executed and the project will begin operating by September 30, 2016. The FY 2015 HUD Appropriations Act requires HUD to obligate FY 2015 CoC Program funds by this date. A selection of "No" may result in the rejection of a project application during the HUD assessment. Further, if a CoC Planning award is not obligated with the grant execution by September 30, 2016, the conditional award will be terminated and the funds recaptured.

Select a grant term: This field is populated with the value "1 Year" and cannot be edited.

Eligible Costs: For items 1 through 8, enter a "Quantity AND Description" and amount of assistance for each activity for which funds are being requested. "Quantity AND Description" details should be thorough, and failure to enter adequate "Quantity AND Detail" may result in conditions being placed on an award and a delay of grant funding. Once a "Quantity AND Detail" and an amount have been entered into one or more of the items, click "Save" and e-snaps will total the assistance requested and determine the total Match amount required.

Total Costs Requested: This field is automatically calculated based total amount requested for each eligible cost.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match/Leverage" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match/Leverage" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "4A. Sources of Match/Leverage" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement.

The Total Budget automatically calculates when you click the "Save" button.
