1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with the provisions of 24 CFR 578.7.

The 2016 planning grant will be utilized to better evaluate South Dakota's CoC and ESG performance measurements and data quality. At the beginning of 2016, South Dakota Housing Development Authority (SDHDA) hired a Data Analyst. One of the functions that the Data Analyst will be working on is the implementation of a mobile application for the January 2017 Point In Time (PIT) count. If COC planning grant funds are awarded the Data Analyst will be assigned to using PIT data in conjunction with GIS mapping. This mobile application will create efficiencies during the homeless count such as faster more accurate reporting, data organization and process automation and consistency. The Data Analyst will also focus on GIS mapping to analyze where homeless individuals reside in comparison to the location of service agencies and affordable rental housing options. This will assist in the further development of a coordinated assessment system and will allow for more comprehensive planning and administration. Having this data will help to strengthen the current CoC system by assisting in the evaluation, ranking and future funding of ESG and CoC recipients.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely

completion of all work.

This project will begin with the mobile PIT count application being piloted in some areas for the 2017 PIT count. Following the count the results will be layered together with other data to create searchable maps. Upon the start of the grant funding the Data Analyst will begin compiling PIT data, mapping the location of service providers and creating searchable maps for SDHDA and the public. In the months that follow tasks will include refining the mobile app for the 2018 PIT count, creating geographical coordinated assessment tools for use in 2018 and preparing data for the ESG and CoC ranking processes. The Data Analyst will work closely with the CoC Administrator, the ESG Program Coordinator and the Director of Rental Development within SDHDA; they will meet weekly to check on progress toward meeting the performance objectives of this project. The CoC Administrator will provide updates on project progress at PAC meetings as well as the quarterly South Dakota Housing for the Homeless Consortium meetings.

3. How will the requested funds improve the CoC's ability to evaluate the outcome of CoC and ESG projects?

The requested funds will allow the CoC to see the projects in a more meaningful and comprehensive manner. This will allow for deeper understand and will help to more accurately evaluate all projects and outcomes. The CoC Administrator, the ESG Program Coordinator and the Data Analyst are all part of the Rental Housing Development Division and will meet weekly to discuss progress and outcomes. Through a closer examination of available data the CoC and ESG selection committee will be able to see where project performance can improve, analyze why gaps or barriers still exist, and influence ESG funding and CoC selection to better meet the needs of South Dakota's homeless population.

4. How will the planning activities continue beyond the expiration of HUD financial assistance?

Because the Data Analyst is already on SDHDA staff the knowledge and resources needed for proper maintenance and modification will still be available after the funds have been utilized.

Instructions:

Is it feasible for the project to be under grant agreement by September 30, 2018: Select "Yes" or "No" to indicate whether the grant agreement will be executed and the project will begin operating by September 30, 2018. The FY 2016 HUD Appropriations Act requires HUD to obligate FY 2016 CoC Program funds by this date. A selection of "No" may result in the rejection of a project application during the HUD assessment. Further, if a CoC Planning award is not obligated with the grant execution by September 30, 2018, the conditional award will be terminated and the funds recaptured.

Does this project propose to allocate funds according to an indirect cost rate? This is a required field. Select 'Yes' or 'No' to indicate whether the project either has an approved indirect cost plan in place or will propose an indirect cost plan by the time of conditional award. For more information concerning indirect costs plans, please 2 CFR Part 200.56, Part 200.413 and Part 200.414, FY 2016 NOFA and contact your local HUD office. The following questions become visible if "Yes" is selected:

- Please complete the indirect cost rate schedule below: Applicant must complete at least one row in the grid.
- Has this rate been approved by your cognizant agency?: Select "Yes" or "No" from the dropdown menu.
- Do you plan to use the 10% de minimis rate?: Select "Yes" or "No" from the dropdown menu.

Select a grant term: This field is populated with the value "1 Year" and cannot be edited.

Eligible Costs: For items 1 through 8, enter a "Quantity AND Description" and amount of assistance for each activity for which funds are being requested. "Quantity AND Description" details should be thorough, and failure to enter adequate "Quantity AND Detail" may result in conditions being placed on an award and a delay of grant funding. Once a "Quantity AND Detail" and an amount have been entered into one or more of the items, click "Save" and e-snaps will total the assistance requested and determine the total Match amount required.

Total Costs Requested: This field is automatically calculated based total amount requested for each eligible cost.

Cash Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match" to make changes to this field.

In-Kind Match: This field is automatically populated. If it needs to be changed, return to Screen "4A. Sources of Match" to make changes to this field.

Total Match: This field will automatically calculate the total combined value of the Cash and In-Kind Match. The total match must equal 25% of the request listed in the field "Total Eligible Costs Request" minus the amount requested for Leased Units and Leased Structures. There is no upper limit for Match. If an ineligible amount is entered, the system will report an error and prevent application submission. To correct an inadequate level of match, return to Screen "4A. Sources of Match" to make changes.

Cash and In-Kind Match entered into the budget must qualify as eligible program expenses under the CoC program regulations. Compliance with eligibility requirements will be verified at grant agreement. The Total Budget automatically calculates when you click the "Save" button.

Dear Mr. Hight:

This letter is to acknowledge the receipt of the South Dakota Housing Development Authority Cost Allocation Plan, received on January 26, 2015.

The Department of Housing and Urban Development has performed a limited review of the South Dakota Housing Development Authority Indirect Cost Proposal for Fiscal year 2015. The review was limited to a determination that the submitted plan (1) was complete, (2) contained costs and allocation base(s) which appeared to be reasonable.

Our limited review disclosed no deficiencies in the South Dakota Housing Development Authority Indirect Cost Proposal. Therefore, the plan may be implemented as prepared. Please utilize the **64.07** proposed percent rate in allocating costs to the Federal awards for July 1, 2015 through June 30, 2016. A limited evaluation was conducted of the fringe benefit plan. It appears acceptable and can be utilized using the **36.99** percent rate for July 1, 2015 through June 30, 2016.

However, since a detailed review was not made at this time, a formal Negotiation Agreement will not be executed. Please be advised that the amounts and rate(s) included in this plan are subjected to revision should this be found necessary due to subsequent audits or reviews.

If you have any questions, please contact, Ms. Marlene M. Collazo, Financial Analyst at (303) 672-5002.

Sincerely,
