

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

**6. Does this project use one or more properties that have been conveyed through the Title V process?** No

### **3B. Project Description**

**1. Provide a description that addresses the entire scope of the proposed project.**

The target population for ICAP's Heartland House Rapid Rehousing Program is homeless families with children who are coming directly from the streets or emergency shelters, residing in a place not meant for human habitation, fleeing domestic violence situations, residing in TH funded by a joint TH and PH-RRH component project, or other persons who qualify under Paragraph 4 of the definition of homelessness. The majority of the adults served will be single female heads-of-households, based on agency experience, but there will be no such requirement. We also anticipate the majority of families will include 2-3 children, most of whom are under the age of ten. When families enter the program, a Housing Stabilization Coach (HSC) will complete an intake process, including determining any short-term and intermediate-term needs and issues the family may have. The HSC and the family members will then complete a housing stabilization plan, which will provide detail as to the existing needs/issues, and a proposed plan as to how to address those needs. The plan includes information on ICAP and other existing programs and services that are available to the family, and a timeline for accessing and utilizing those resources. Through ongoing family case management, the family will make progress toward fulfilling the terms of the housing stabilization plan. In some cases, the HSC will build partnerships with other service providers, as appropriate, to gain access to specialized services that are needed by the participants. For example, staff will refer participants escaping domestic violence to subject-specific counseling or other services aimed at helping the participants to recover from that situation. If other specialized services such as drug/alcohol treatment are needed, the participant will be assisted in enrolling into those services. Outcome 1: Participants will enter into permanent housing within 30 days of completion of application. #2: Participants will remain in permanent housing for at least 12 months. #3: Participants will increase their total household income. ICAP staff have created many networks of collaborating partners among the area's service providers. All of the partners have realized that no one individual agency can meet all of the needs that exist among their participants. However, working together, they can all magnify the impact of their resources, while at the same time avoiding duplication of effort to the greatest extent possible. ICAP partners with other providers in a broad variety of efforts – for example, in the Bright Futures homeless prevention program, ICAP works with the Sioux Falls Housing and Redevelopment Commission (SFHRC). ICAP provides education and case management services to the participants, and SFHRC manages the tenant-based rental assistance for the program.

Dear Sir or Madam:

This is in response to your letter of January 22, 2008, regarding your tax-exempt status. We received your Certificate of Amendment filed with the State of South Dakota November 20, 2006. We changed your name from Interlakes Community Action, Inc. to the name shown above.

Our records indicate that a determination letter was issued in March 1967 that recognized you as exempt from Federal income tax. Our records further indicate that you are currently exempt under section 501(c)(3) of the Internal Revenue Code.

Based on the information supplied, we recognized the subordinates named on the list you submitted as exempt from Federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

FORM 990-A REQUIRED	ACCOUNTING PERIOD ENDING

Gentlemen:

On the basis of your stated purposes and the understanding that your operations will continue as evidenced to date or will conform to those proposed in your ruling application, we have concluded that you are exempt from Federal income tax as an organization described in section 501(c)(3) of the Internal Revenue Code. Any changes in operation from those described, or in your character or purposes, must be reported immediately to your District Director for consideration of their effect upon your exempt status. You must also report any change in your name and address.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code, in which event you are required to file Form 990-T. Our determination as to your liability for filing the annual information return, Form 990-A, is set forth above. That return, if required, must be filed on or before the 15th day of the fifth month after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to you or for your use are deductible for Federal estate and gift tax purposes under the provisions of sections 2055, 2106 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to your District Director, as should any questions concerning excise, employment or other Federal taxes.

Your District Director is being advised of this action.

Every exempt organization is required to have an Employer Identification Number, regardless of whether it has any employees. This number should be entered in the designated space on all Federal returns filed and referred to on all correspondence with the Internal Revenue Service. If you do not have such a number, your District Director will take steps to see that one is issued to you at an early date.

This ruling is not applicable to your proposed nursing-home project for elderly residents. In the event that you decide to establish and operate a nursing home, it will be necessary that you advise your District Director of all the facts in order that a determination may be made as to the effect of such action on your exempt status.

Very truly yours,

*John R. Barber*
